## Late Cancellation Policy

We understand that our patient's time is valuable. When your appointment is made, a room is reserved, your records are prepared and readied for your visit. Except for emergency treatment for another patient, you can expect us to be prompt. We, of course, would appreciate the same courtesy from you.

When you make an appointment, we are reserving a room and a physical therapist time for your particular needs. We ask that if you must change an appointment, please give us at least **48 hours** notice. This courtesy makes it possible to give your reserved room to another patient who would like it. To avoid being charged for a cancelled or missed appointment you must call at least **48 hours** before the scheduled appointment time. We do have an answering machine for after hours and weekend messages.

***Repeat cancellations or missed appointments will result in loss of future appointment privileges. Please call our main line at 310-656-8600***

Please sign below indicating that you have read and understand our late cancellation policy.
